

Babies, children and teenagers

Childcare for 0-12yrs

As DCN grows ever larger, more and more people want to bring children to the conferences. We are delighted to see them and we know friendships and connections are made that sometimes continue over many years.

We have expanded the activities on offer to try to include as many children as we can. We don't make a profit from our conferences and we subsidise the creche to keep costs as low as possible.

- Spaces with the childcare team are LIMITED so book your places as soon as possible
- Little Hens Childcare will be providing a team for us <https://www.littlehenschildcare.com>
- If you have questions please get in touch and we will forward your query to them
- It's not just a 'baby creche' - we also include older children up to 12 years
- We have 4 separate rooms for: babies, toddlers and young children, 4-7yrs and 8-12yrs
- We have plenty of outdoor play space, plus the sports hall
- The 8-12 yr olds will be using the sports hall as their base (when they are not doing an activity)

Additional activities for children aged 8-16

"What Makes Me, Me?" Creative Session - ages 8-12

This is a 1.5hr creative session for 8-12 year olds (roughly school years 4-8) run by Natalie Tayte.

Children's Groups - booked through CIFI - ages 9-12

Dr Sharon Pettle is offering the Children's Groups for 9-12 year olds (roughly school years 5-8). These are booked and paid for separately to the conference, via the Centre for Individual and Family Identity (CIFI).

Teen Group - ages 13-16

We are piloting a new teen activity for children aged 13-16 (roughly school years 9-11), run by Astrid Indekeu, a clinical psychologist.

Due to limited places, children can attend either What Makes Me Me **OR** the Children's Group

For more details see <https://www.dcnetwork.org/connecting/for-children/>
