Trustee Role Description

- To undertake the role of Trustee and participate in the Network Trustee Board
- To help ensure that the Board fulfils its responsibilities for the governance and strategic direction of the organisation to ensure the financial stability of the Network
- To provide support and constructive challenge to the Director to ensure the effective and efficient administration of the Network
- To contribute actively to the development of strategy, agreeing overall policy, goals and targets, and evaluate performance
- To help ensure appropriate accountability to the Charity Commission, the Network's funders and service users
- To safeguard the reputation, purpose and values of the Network, and ensure the organisation maintains a duty of care for staff
- To act as an ambassador promoting the work of the Network

New trustees will have an induction to the role and an opportunity to familiarise themselves with the work of the organisation. It is expected that trustees will undertake a range of activities to further its work and safeguard its long-term future.

These will include:

- Attending Board meetings and other meetings as necessary,
- Attending at least one national conference a year
- Using skills, knowledge and experience to help the Board reach sound decisions. This may involve scrutinising Board papers, leading discussions, focusing on key issues, providing advice and guidance on new and existing initiatives and other issues in which they have special expertise
- Active involvement in advancing the work of the Network throughout the year and supporting the Director and staff.

Trustees serve for a three year term that is renewable at the end of the term. A trustee is required to act reasonably and prudently in all matters relating to the charity and always bear the interests of the Network in mind.

The Charities Act disqualifies anyone who:

- has been convicted of an offence involving deception or dishonesty, unless the conviction is spent
- is an undischarged bankrupt
- has previously been removed from trusteeship of a charity by the court or the Charity Commissioners
- is under a disqualification order under the Company Directors Disqualification Act 1986.

It is an offence to act as a charity trustee while disqualified unless the Charity Commission has given a waiver under section 72(4) of the Charities Act 1993.
